SUMMARY

I am highly motivated and hardworking; I love to be challenged. I take full responsibility for any and every task that is handed to me and make it a priority that it is completed to the highest standard. I have an unwavering commitment to a cause that I believe in. I can adapt to change easily due to the dynamic environment that I am employed in. I am very analytical and aim to consider all aspects when faced with a problem. I strive to create a conflict free environment with my colleagues. I am a productive employee with proven track record of successful project management and producing quality outcomes through leadership and team motivation. Works with clients to determine requirements and provide excellent service.
